Frequently Asked Questions

## What are NFT?

This NFT project involves a package of 2500 non-fungible tokens (NFTs) built on blockchain technology. These NFTs offer exclusive benefits, including quarterly profit distribution from a real-world project. Owners of this package gain unique advantages and have the opportunity to engage with a community, leveraging the transparency and security of blockchain for ownership verification. The project aims to provide both investment value and a tangible connection to a real-world venture.

## How Do I Get NFTs?

## What Benefit for this NFT?

## Can I Sell Or Transfer My NFTs To Others?

## Can I Get Refund For My NFT?
